

Our client is a publicly traded company in San Diego. They are seeking a Risk Manager to join their team. If you are interested, please contact Jorge Marquez with Vaco at (858)642-0000 ext. 318 or e-mail me with your resume at jmarquez@vaco.com.

Summary:

The Risk Manager is responsible for the management of the Company's workers compensation and professional liability claims, working closely with the third party administrators (TPAs) in claims strategy and settlement negotiations. The Risk Manager also serves as the primary liaison to the Finance department and is responsible for preparing reports and data used for trending, reserve calculations and other risk management purposes. The Risk Manager also assists in insurance negotiations and the procurement and review of insurance policies.

Responsibilities:

1. Claims Management – Works closely with PL and WC TPAs to manage claims to minimize the Company's losses. Reviews appropriateness of claim reserves. Assists in developing claim strategy, including settlement negotiations
2. Data Reporting and Trending – Prepares weekly and monthly financial PL and WC reports used for reserve setting and claims analysis.

Education & Experience:

Bachelors Degree

2+ years of risk management and/or claims management experience

Compensation:

Dependent upon experience and salary history
